

Los Angeles Fulfillment Warehouse and Distribution Center

For more than 15 years we have provided a broad spectrum of effective and cost-efficient solutions to companies of all sizes, from start-ups to international conglomerates.

DIRECT DISTRIBUTION

More than 15 years of experience in managing supply chain efficiency.

STORAGE & SHIPPING

50,000 square foot on-site warehouse facilities, 200,000+ off-site.

ECOMMERCE

Integration with online retailers to provide seamless Pick & Pack, Inventory Management, and Shipment Tracking.

CUSTOM FULFILLMENT

Direct to customers (B2C) or to businesses (B2B).

SUBSCRIPTION FULFILLMENT

Expertise and Infrastructure to handle all types of subscription fulfillment.

MANAGEMENT SOFTWARE

Warehouse Plus system enables detailed tracking and reporting.

PRINT PRODUCTION

We are experts across the entire spectrum of print production -- direct mail, to large format, vehicle wraps, and everything in between.

GLOBAL DISTRIBUTION

Serving the ports of Los Angeles, San Diego, LAX and all major access routes to and from Southern California.

TRG Fulfillment provides solutions for businesses that live and die by the effective and cost-efficient management of their supply chains.
